WORK EXPERIENCE

Banco Internacional   **Mar. 2022 – Jan.2023**
Intern & Thesis Student   *Santiago, Chile*
- Intern working with the Project Management Office of the innovation area at Banco Internacional bringing relevant data about specific products improving decision making.
- Managed processing, analyzing, and presenting data using tools such as Google Analytics, Google BigQuery, Excel, LookerStudio.
- As a thesis student, I was primarily responsible for carrying out an applied project for a specific product within the Innovation department of the Bank.
  - Systematize the extraction, transformation, loading, and visualization of this product.
  - Conduct regular meetings with stakeholders associated with the product.

Dimension S.A.   **Jan. 2021 – Apr. 2021**
Intern   *Santiago, Chile*
- Intern working as a Full Stack Developer with a team using the agile methodology Scrum.
- Developing a Factoring web application on .Net Framework using MVC, C#, SqlServer, HTML5, CSS, JavaScript, Xunit and Git.
- As a developer I was also part of the Sprint Planning.

EDUCATION

Mayor University   **Mar. 2016 – Jan. 2023**
Bachelor's degree, Civil Engineering in Computing and Informatics   *Santiago, Chile*
